Product specifications Spécifications du produit Especificaciones del producto Produktspezifikationen 产品规格

Bluetooth version: 2.1
Bluetooth protocols: A2DP, HSP, HFP, AVRCP
Bluetooth signal range: 33 feet
Speaker power: 5W; 10W peak
Driver: 70mm Full-range
Impedance: 4 Ohms
Sensitivity: 83dB
Frequency response: 20Hz-20KHz
Total harmonic distortion: <0.5%
S/N Ratio: ≥ 75 dB
Audio input: Bluetooth
Charging time: 2-3 hours
Talk and music runtime: 10 hours
Battery: 3.7v, 1000mAh Lithium Polymer
Power input: 5V \approx 0.4A
Weight: 0.99 pounds
Dimensions: 4.75 x 4.75 x 4.75 inches

Version Bluetooth : 2.1+EDR
Protocole Bluetooth : A2DP, AVRCP, HFP
Bluetooth signal range : 10 mètres
Puissance haut-parleur : 5W; 10W peak
Haut-parleur : 70mm Full-range
Impédance : 4 Ohms
Sensibilité : 83dB
Réponse en fréquence : 20Hz-20KHz
Distorsion harmonique totale : <0.5%
Rapport S/N ≥ 75 dB
Entrée Audio : Bluetooth ; 3.5mm audio port
Temps de chargement : 2-3 heures
Temps de conversation et écoute de la musique : 10 hours
Batterie : 3.7v, 1000mAh Lithium Polymer
Puissance d'entrée : 5V \approx 0.4A
Poids: 450g
Dimensions : 12 x 12 x 12 cm

Fabriqué en Chine. Conçu en Californie.

FCC Information and Copyright

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates,

uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference

to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does

cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is

encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

15.19 Labelling requirements.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC RF warning statement: the device has been evaluated to meet general RF exposure requirement , The device can be used in portable exposure condition without restriction.
