INSTRUCTIONS & WARRANTY

Model# 81013

Printed in China

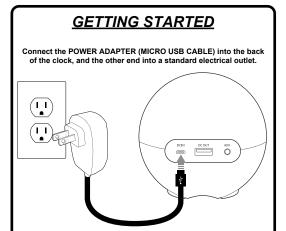

ONE-YEAR LIMITED WARRANTY

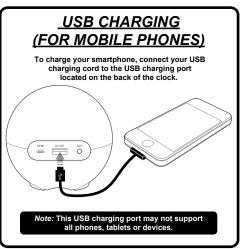

NYL Holdings LLC warrants the original consumer purchaser of this product that it shall be free of defects in materials and workmanship for one year from the purchase date of this product. Defects caused by tampering, improper use, unauthorized modifications or repairs, immersion in water or abuse are not covered by this warranty. If a defect covered by this warranty occurs during the warranty period, package your clock carefully and send it to:

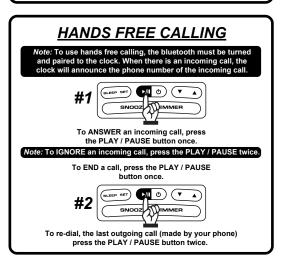

Att: Repair center / NYL Holdings LLC 1212 East Broward Blvd. Suite 203 Fort Lauderdale, FL 33301

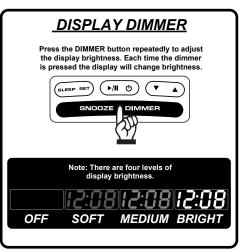

(954) 462-6848

You must include a Proof of Purchase, either the original receipt or a photocopy and a check or money order for USD \$14.95 to cover the cost of shipping and handling. Also include your return address inside the package. NYL Holdings LLC will repair or replace the clock and return it to you. NYL Holdings LLC will not be liable for any loss or damages, including incidental or consequential damages of any kind: from any breach of warranty either expressed or implied relating to the product. Since some states do not allow the exclusion or limitation of incidental or consequential damages, these limitations may not apply to you. This warranty gives you specific legal rights, and you may have other rights that vary from state to state.

FCC Information and Copyright

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates,

uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference

to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does

cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is

encouraged to try to correct the interference by one or more of the following measures:

- —Reorient or relocate the receiving antenna.
- —Increase the separation between the equipment and receiver.
- —Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- —Consult the dealer or an experienced radio/TV technician for help.

15.19 Labelling requirements.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC RF warning statement: the device has been evaluated to meet general RF exposure requirement , The device can be used in portable exposure condition without restriction.
